EFMP-FS

Community Connection

What is the Exceptional Family Member Program— Family Support?

The Exceptional Family Member Program- Family Support (EFMP-FS) is the community support function provided by Airman & Family Readiness Center (A&FRC). EFMP-FS is designed to assist

families with special needs by helping them identify and access programs and services. EFMP-FS is also available to eligible families not enrolled in the EFMP. **This includes all DOD identification cardholders (e.g., other**

military branches of service, civilians, contractors, retirees). EFMP is intended to provide resources, information, referrals, and support. Please contact your local EFMP-FS Coordinator at DSN (315) 783-4636,
